| FRUIT | VARIETY / # OF VOTES | COMMENTS |
|----------------------|-----------------------------|--|
| APPLE | Fuji (2) | 1 comment: "Espaliered; sweet, crisp fruit" (AS) |
| | Granny Smith (1) | |
| | Gravenstein (1) | |
| | MacIntosh (1) | |
| | RubINETte (1) | |
| | Yellow Delicious (1) | |
| | Red Delicious (1) | "Very productive, codling moth damage because I garden organically and don't spray with chemicals" (AS) |
| APRICOT | Blenheim (1) | |
| | Un-named variety (1) | "Vigorous tree; Eutypa damage decreases fruit production; now will prune only in dry weather, usually summertime" (AS) |
| AVOCADO | Bacon (1) | |
| BERRY | Blueberry | |
| | O'Neal (1) | |
| | Unknown variety (1) | "Can grow in Concord weather in containers" (EC) |
| Raspberry | Caroline (1) | |
| CHERRY, SWEET | Bing (1) | |
| | Republican (1) | |
| | Stella (1) | "Very productive; Tulle is put up to protect from SWD; economical for 1-2 trees" (AS) |
| CITRUS | Grapefruit | |
| | Pink (1) | |
| | Lemon | |
| | Improved Meyer (1) | |
| | Meyer (2) | 1 comment - "Does very well. One crop/yr only" (EC) |

| | | |
|--------------------------------------|-----------------------|---|
| | | |
| Lime | Un-named variety (1) | "Won't survive" (EC) |
| | | |
| Mandarin, Sour | Rangpur Lime (1) | |
| | | |
| Orange | | |
| | Blood Orange (1) | 1 comment: "Survives in container" (EC) |
| | Moro Blood Orange (1) | |
| | | |
| | Trovita (1) | |
| | Washington Navel (1) | "Took at least 10 years to produce. Perhaps needed fertilizer. Bumper crop this year" (AS) |
| | | |
| Tangelo | Minneola (1) | |
| | | |
| FIG | Black Ischia (1) | |
| | Brown Turkey (1) | |
| | "Green" fig (1) | |
| | Mission (1) | |
| | Panache (1) | |
| | General Comment | "All varieties do well in Contra Costa" (EC) |
| | | |
| GRAPE | Red Flame (1) | "Have not figured out how to prevent fungal diseases without copper spraying" (AS) |
| | Thompson Seedless (2) | 1 comment - "Does very well" (EC) |
| | | |
| GUAVA, PINEAPPLE (Feijoa) | Coolidge (1) | |
| | Nazemetz (1) | |
| | | |
| GUAVA, STRAWBERRY | Un-named cultivar (1) | "Very small fruit" (EC) |
| | | |
| JUJUBE | Chico (1) | |
| | Honey Jar (1) | |
| | Sugar Cane (1) | |

| | | |
|-----------------------|------------------------|---|
| | | |
| PEACH | Rio Oso Gem (1) | |
| | | |
| PEAR, ASIAN | Shinko (1) | |
| | Shinseiki (1) | "Vigorous and productive of mild, crisp fruit; unfortunately severely hit by fire blight this year (2014) so that it needed to be pruned several times." (AS) |
| | 20th Century (1) | "Vigorous and productive of mild, crisp fruit; sustained mild fire blight damage this year (2014)" (AS) |
| | Ya Li (1) | |
| | | |
| PEAR, EUROPEAN | Bartlett (1) | "Hasn't fruited yet" (VH) |
| | Beurre d'Anjou (1) | |
| | Comice (1) | |
| | | |
| PERSIMMON | Fuyu (1) | 1st comment: "Does very well. It absolutely took 7 years to bear fruit!" (EC) |
| | | 2nd comment: "Took 8-10 yrs to bear fruit; was told in too shady of a spot; generally bearing big, beautiful fruit, although none this year (2014)" (AS) |
| | Hachiya (1) | |
| | | |
| PLUM, ASIAN | Broken Heart (1) | |
| | Elephant Heart (1) | |
